

Name _____

In Class Reflection from Section _____

1. Explain in words how to complete # _____ from the homework. Do not give the answer, just step-by-step directions!

2. Trade sheets with your neighbor. Use **only** the directions from above to solve the problem.

(over)

3. Give the sheet back to the original student. IN A DIFFERENT COLOR revise #1. Ask your neighbor for suggestions about your directions on how they could have been easier to follow. Update #1 if need be. Check #2 and fix any errors.

4. Below, in complete sentences, describe how you can help yourself or someone else avoid mistakes you saw. If there were no mistakes on the front side, where could someone make a mistake in completing the problem?
